

PLUS SIZE MODEL

→ **50:40**

Oversized striking faces provide maximum protection for the precise treatment of workpieces with sensitive surfaces.

→ **ALUMINIUM HOUSING**

For precise work on delicate workpieces and for work on sensitive workpieces.

→ **2 DIFFERENT INSERTS**

With TPE-soft and superplastic, a soft and a hard insert are available in 50:40 dimensions. Both inserts are non-marring.

→ **ERGONOMIC WOODEN HANDLE**

As with all Halder soft-face mallets, the 50:40 variant fits your hand perfectly.
