Ultra low-wear, impact cushioning and odourless, it offers a much longer service life than a conventional rubber hammer. This top seller made by Halder has now been developed further: Boasting an ingenious shape, the rubber insert with "Stand-Up" (3202.2) allows the hammer to stand securely on its head and reduces the need to bend over, making it possible to work in a much more ergonomic and back-friendly manner. Can be ordered and combined with all size D60mm and D80mm SIMPLEX soft-face mallets.
