

Ball Casters · with mounting elements

EH 22750.

Product Description

Ball casters are module for transport systems, conveyances, to working and packing facilities. For example, parts can be easily moved, turned and controlled.

Material

Cap

- Steel, zinc-plated by galvanization

Housing

- Steel, zinc-plated by galvanization

Ball

- Ball-bearing steel
- Stainless steel

Assembly

Mounting is carried-out by means of spring-loaded claws allowing big tolerances in the location hole.

The ball casters can easily be mounted and disassembled from their functional side.

Due to the inclined cap form, the assembly mandrel EH 22750. should be used.
