# **Tubular Handles • front mounting** 24321.0125

# **Product Description**

Tubular handles are used, for example, on machine doors.

These tubular handles made of aluminium are characterised by their ergonomic and robust construction and modern design. This version is equipped with angled handle legs (legs).

#### Material

#### Handle

· Aluminium, anodised

#### Handle shank

· Zinc die-cast, plastic coated, silver, similar to RAL 9006, matt structure

· Plastic, light grey

# Covering

· Plastic, light grey

### **Assembly**

The handles can be mounted to the component from the front (operating side) using cylinder screws. The hole is closed with a plastic covering.

#### More information

#### **Notes**

Customized design on request.
