

**SIMPLEX fibre-glass handle** • with rubber grip, for SIMPLEX soft-face mallets with reinforced cast iron housing  
3844.080

**Product Description**

The SIMPLEX fibre-glass handles of the series 3844 are combined with SIMPLEX soft-face mallets with the black, reinforced cast iron housing in sizes ranging from D30mm to D80mm. These exceptionally rugged and durable handles are extremely break-proof. They are vibration-dampening, are shaped ergonomically and include a non-slip handle. They also possess a smooth surface and are inorganic (non-sensitive to moisture). Also available as a sledge hammer handle with a length of 70cm (for the housing with D80mm).
